

Press Release

Herstal, 25 November 2024

Tom Tomczak is appointed as NRB's new Chief Commercial Officer

Tom Tomczak joins NRB s.a. as Chief Commercial Officer (CCO), with effect from 23 November.

As CCO, Tom Tomczak is responsible for designing and implementing NRB's commercial strategy, in line with the company's development plan and the Group's vision. His mission includes supporting NRB's growth ambitions by attracting new customers while strengthening existing relationships to ensure their long-term satisfaction and loyalty. Tom will also oversee the sales, marketing and product innovation teams.

At 46 years old, Tom Tomczak has extensive experience in the commercial and technology sectors. He has held senior positions at Trustteam Group, Inetum-Realdolmen and Proximus ICT, where he demonstrated his skills in commercial management, strategic development and organisational transformation.

Laurence Mathieu, CEO of NRB s.a., welcomes Tom Tomczak to the Management Committee: *"We are convinced that Tom Tomczak's coming aboard in this role will contribute to NRB's development. His knowledge of the sector and his experience are important assets that will enable us to intensify our growth and achieve our strategic objectives, with a view to increasing customer satisfaction."*

"I am delighted to be joining NRB, a major player in the technology sector with ambitious growth prospects," says Tomczak. *"What particularly appealed to me was NRB's ability to combine innovation and expertise, positioning itself in cutting-edge technologies while drawing on solid, recognised know-how in strategic areas. Joining such a dynamic company, supported by talented and committed teams, is a unique opportunity"*

About NRB Group

With a consolidated turnover of € 577.5 million in 2023 and more than 3,670 employees, the NRB Group is one of Belgium's leaders in the ICT sector. NRB is positioned as the local ICT partner that supports its clients in their digital transformation. Capitalising on technological developments and innovation, NRB aims to offer them the best solutions available, tailored to their environment. In this context, NRB offers a wide range of IT services based around six key areas: consultancy, software, infrastructure & hybrid cloud, managed staffing, cybersecurity and Artificial Intelligence.

NRB caters for a wide variety of business sectors: the public and social sector, the energy and utilities sector, the financial sector and industry. One team is dedicated to the European and international institutions and companies. All of the NRB Group's subsidiaries offer sector-specific solutions, while at the same time benefitting from the Group's size, ITC infrastructure and other support.
